FOREWORD

The ALMANAC AND YEAR BOOK of the Reformed Church in the United States, for the year of our Lord, 1934, is herewith presented, in brief form for busy people, with its usual resumé of outstanding activities throughout our denomination, and the carefully revised list of our organizations and agencies, with the personnel of their leadership, and other valuable facts for the homes of the Church. Here you will find a roster of the ministers, judicatories, Boards, institutions and other agencies of the Church, together with such facts as are designed for the use of all who love and serve our beloved Zion. We venture to repeat the statement that there are in this little volume so many useful facts about what the Church has done and ought to do that every Consistory should count it a privilege to secure its general use by the membership. The cooperation of all pastors, officers and people who assist in its circulation will be deeply appreciated, because its wide-spread use will be of such genuine help in forwarding the work of the Kingdom.

The hope of any Church is in the men and women who are sufficiently interested in its work to read its literature and to acquaint themselves with its work at home and abroad. Pastors and Consistories are multiplying their influence for good when they secure readers for the Church Almanac, the weekly Church paper, Hymnal, Catechism, Catechetical Manual and other publications of the Reformed Church.

It may be possible that this will be the last ALMANAC AND YEAR BOOK issued in its present form. At this writing, it has been finally assured that the Plan of Union between the Evangelical Synod of North America and our own Church has been adopted by an overwhelming vote. Of the twenty Districts in the Evangelical Synod, nineteen have voted favorably, more than two-thirds voting unanimously. This vote then was confirmed by the General Conference meeting in October, 1933. Of the fifty-nine Classes in our Church, fifty-three have reported, only two small Classes disapproving of the Union. The Plan has, therefore, been constitutionally adopted by both Churches. It is generally believed that the year 1934 will witness the birth of a new denomination, combining these historic communions

into the new Evangelical and Reformed Church. It is at least possible, even probable, that the ALMANAC AND YEAR BOOK for 1935 will combine the statistics of the United Church. The months immediately ahead are, therefore, fraught with destiny, and every step of the way should be taken prayerfully and in the spirit of mutual confidence and brotherliness. The local congregations will be affected but little at this time, as a result of the Union, but the probability of the early coalition of Boards, agencies, and institutions of the uniting Churches looms before us, and we cannot help believing that this solemn and momentous step, taken in faith and courage, will ultimately issue in great blessing and largely increased usefulness.

The year just passed has, it need hardly be said, been a time of peculiar difficulty, discouragement and peril. The hopes and assurances expressed at the General Synod of Akron, in 1932, have in some respects fallen far short of fulfillment. Especially have the decreased gifts of our people increased the travail of our Boards and agencies, necessitating not only regrettable retrenchments, but also the failure to pay salaries when due, which has worked grievous hardships to some of the faithful servants of the Church at home and abroad. It must be said that, in the face of this serious condition, the morale of pastors and people has been maintained in a gratifying degree, and the more promising outlook inspires renewed faith that 1934 will mark a decided upturn, not only in the business world, but in the work of the Church and the maintenance of its sacred interests. Under a code of mutual patriotism and loyalty, retrenchment in spiritual devotion and activity is no longer justifiable if the Church of Christ is to have its proper place of leadership in the new age. The unavoidable summons to all the sons and daughters of the Reformed Church is that the half-hearted consecration of recent years will not avail to meet the needs of such a time as this. We must have better men and women, more utterly obedient to the will of our Divine Lord, if His will is to prevail. We can help to make 1934 a year of surpassing triumph for Christ and His Church, if only we trust and obey.

THE EXECUTIVE COMMITTEE OF THE GENERAL SYNOD

The work of the Executive Committee of the General Synod was run in "low gear" during the last year. We have been climbing a hill. There have been manifold difficulties. The Church has shared all of the financial and general economic problems of the world. The budget of the Executive Committee had been cut into two. The Committee and its Secretary firmly resolved to keep within its budget. The first year of this triennium was closed without a deficit, and it was possible to cancel an indebtedness of the Board of Home Missions of \$830, and of the Board of Foreign Missions of \$840, on account of promotional expenses incurred prior to the meeting of the General Synod a year ago, which those Boards had not yet paid.

The Church is hardly aware of what this involved. The Associate Secretary who had devoted himself wholeheartedly in service for two and one-half years was released December 31, 1932. The office force was not only reduced in number but its personnel changed entirely. Less money is being expended and somewhat less work is being done, but the Executive Committee is trying faithfully to perform all of the duties expected of it by the General Synod and the Church.

The Reformed Church is continuing to lose in membership. Mere numbers amount to nothing, but it is well for us to ask why we are almost the only denomination which has consistently lost in membership for a number of years while our population is increasing and other denominations are growing. The Executive Committee feels very strongly the importance of earnest effort in evangelism. It has encouraged the appointment of Committees on Evangelism in every Classis, and has helped the Committees on Evangelism in some of the Synods to develop their work.

Dr. Henry J. Christman, Chairman of the Executive Committee and President of the General Synod, has prepared, at the request of the Committee, a series of studies for use in discussion groups in the local churches. The primary purpose of this leaflet is to develop the spiritual life of the Church. The Committees on Evangelism are expected to promote this project.

The Executive Committee has given very great attention to the Fall Meetings of the Classes. It

regards these as of primary importance in our Church life and work. The Classis at its Fall Meeting gives attention to the denominational work represented by its Boards, and also to the development of the spiritual life. More than two-thirds of our Classes hold regular Fall Meetings, the exceptions being entirely in the West where our congregations are widely scattered and the expense of conducting two meetings a year is almost prohibitive.

The Classical Missionary and Stewardship Committees have great responsibilities in connection with the Fall Meetings of the Classes. They co-ordinate the missionary and benevolent work and make earnest endeavor to have all of the congregations of their Classes pay their Apportionments in full. The Executive Committee keeps in close touch throughout the year with the Missionary and Stewardship Committees, encouraging and helping them in their work. A Conference of a large number of these Chairmen was held at Harrisburg, September 13 and 14, 1933.

The Church has not only not paid its Apportionments in full but, although the Apportionments have been reduced by one-third, a smaller percentage than usual has been paid. This has led to serious consequences. The Boards have cut down their work, and have done everything possible to maintain the greatly reduced operations with what they receive, but they are now in serious difficulties. This is the work of the Church, and the whole Church should rise to meet the situation.

The Apportionments are primarily for the purpose of maintaining the denominational work. The Synods usually add Apportionments for educational institutions or other Synodical objects. The Contingent Funds of the Classes, Synods, and the General Synod have always been comparatively small in amount. The General Synod has time and again stated that the Contingent expenses are for only the actual running expenses of the Classis or other judicatory and are not benevolence. The Classes, however, have been putting benevolent and other causes into the Contingent Fund, and thus have been confusing and making the raising of that fund impossible. Our whole Apportionment System is imperiled. At a recent

meeting the Executive Committee adopted the following resolutions:—

"1. That the Executive Committee call the attention of the Classes to the fact that, by action of the General Synod, Contingent monies are not to be included in benevolent budgets, and, therefore, congregations should write all Contingent monies into their budgets for congregational expenses.

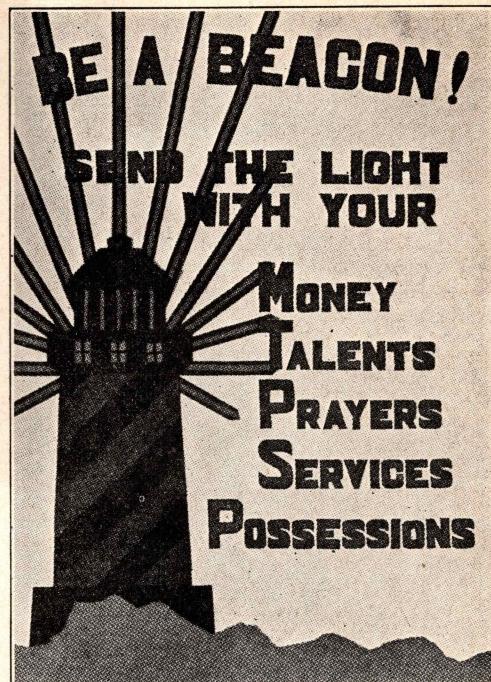

"2. That we request Classes to pay all Apportionment monies contributed for the Boards of the Church to those Boards and not to use such monies for causes within their own bounds.

"3. That we request congregations to consider all Apportionment monies as a sacred fund, given for specific purposes. Therefore no funds contributed for benevolence should be used for congregational purposes in any circumstances.

"4. That we request Classes to refrain from writing local causes into the Classical Apportionment. It is the conviction of the Executive Committee that this growing custom is undermining our entire Apportionment System."

No better system of congregational finance has yet been discovered than an Annual Every Member Canvass, well prepared for and thoroughly conducted and followed up. Promoting an Annual Every Member Canvass and helping Classes and congregations in conducting it is one of the primary duties of the Executive Committee. The difficulties of making a thorough Canvass during these last few years are fully recognized, but it is more important than ever before that the Canvass be made. The Executive Committee has been making special preparations for the Canvass of 1933 and that of 1934.

The Stewardship period during the last winter was unusually successful. The outstanding feature each year is the Stewardship Essay and Poster Contest. There were requests for 5,827 packets from congregations representing nearly all of our Classes, and as a result several thousand essays were written and posters made. Nearly 300 of the best essays and more than 100 posters were forwarded to the denominational committee on Stewardship. Awards were made by a number of congregations and Classes to those who pre-

pared the best essays or posters in their respective groups, and 31 denominational prizes were given. (A cut of one of the winning posters accompanies this article.)

The Executive Committee was instructed by the General Synod to fix the date for the next meeting of the General Synod at York, Pa., and has fixed June 18, 1935, as the day of the opening session.

In these trying days of our denominational life and work the Executive Committee has endeavored above all else to be a steady influence, endeavoring to keep up the morale of the denomination and to have our people recognize the place and worth of the Church, and the importance of going forward along every line. There is an upturn in national and in world affairs. The Church must now be ready to go forward.

HOME MISSIONS

CHURCH AT STONY PLAIN, ALBERTA, CANADA
Remotest Mission in Northwest
REV. CHAS. H. REPPERT, PASTOR

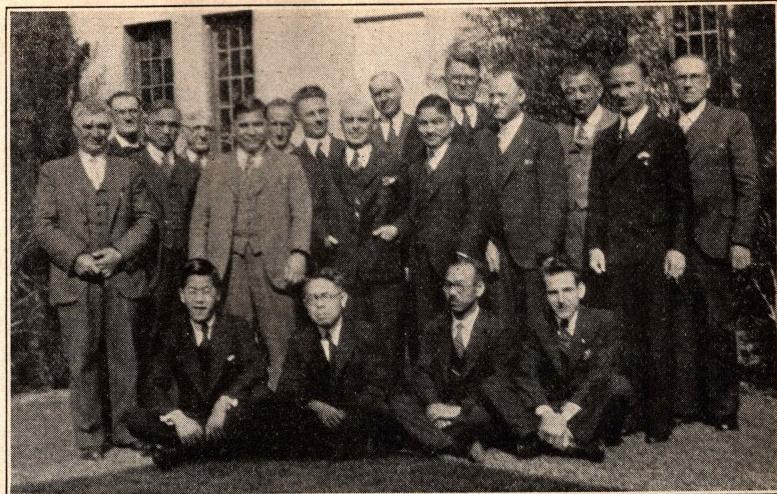

It is exceedingly difficult to formulate a concise and yet comprehensive definition of Home Missions. Such a definition may include either too much or too little. The Home Missions Congress which met in Washington in 1930 conceived this enterprise to be the effort on the part of the Church, in obedience to the command of Christ, to win disciples for Christ and to Christianize the life of the nation. In this definition there are two major ideas emphasized, viz., that of Evangelism and that of Social Service. The one has as its goal the outward extension of the Kingdom in winning souls for Christ, and the other pertains to the more inward transformation of the many sided life of the nation. The one phase of this work is represented by the parable of the mustard seed, and the other by the parable of the leaven. The one represents outward accretion, the other inward change.

The objective of Home Missions has always been the Christianization of America. But the past one hundred years since organized Home Missions have been operative may be regarded as a preparatory stage to the main purpose. The effort for a century or more consisted principally in the building of the frame work, the erecting of the scaffolding, for the accomplishment of the real task. Consequently in the past we have applied ourselves principally to the establishing of churches and educational institutions, the erecting of church buildings and the organizing of ecclesiastical units in every part of the country. Now that this preliminary work has been done, and the machinery has been set up, the real task waits to be done. It is in vain that all these churches have been organized and these buildings constructed if they are to serve no definite and no far reaching purpose. The real Home Mission work therefore lies ahead of us and not behind us. The work is therefore far from being accomplished.

The times in which we live, however, demand a new strategy, a new approach, to this task. While there are still vast areas in this country which remain unchurched, and while the millions outside the fellowship of the Church need to be brought into that relationship, we shall in the future not be establishing as many new missions as we did in the previous generation. We shall, however, seek to vitalize existing congregations so that they may discharge the full measure of their obligation to the spiritual needs of the communities in which they are located.

Modern conditions of life have wrought marked changes in both urban and rural communities. Nowhere is this fact more pronounced than in the country. The automobile, the radio and the telephone have practically eliminated the old boundary line between the city and the country. Standards of living have changed, social centers have shifted, and what were serious problems a generation or more ago have changed their aspect altogether. The same thing is true with reference to the problem of the immigrant. Forty or fifty years ago all the Home Mission agencies of the country applied themselves vigorously to the solution of this problem. Many foreign language churches were established. Ministers were im-

ported from foreign countries to minister to the people of their own nationality and speech. In the case of the Reformed Church we brought to America many ministers from Germany, Switzerland and Holland, and later on from Hungary, Bohemia and Japan. But today the second and third generations of these foreigners constitute our real problem. The process of Americanization went forward much more rapidly than most people had anticipated. The assimilation of the

children and grandchildren of these foreigners into our American church life is our present day problem. This can best be done by a ministry from their own ranks Americanly trained and equipped for their task. Consequently the Board of Home Missions maintains a department in our educational institutions at Lancaster where young men are being trained for life service either as ministers or as laymen in the Church.

Missionary Society of the General Synod the Board of Home Missions is able to employ a number of deaconesses and social workers in our Hungarian and Japanese churches. These are rendering valuable services in behalf of the rising generation of the foreign-speaking groups.

The Board of Home Missions is conducting a flourishing school for Indian children at Neillsville, Wis., under the efficient leadership of Rev. Benjamin Stucki, who also serves as the missionary for the Indian Mission at Black River Falls. Associated with him is an Indian Evangelist, Mr. John Stacy, himself a convert of our Indian Mission and who is performing a great ministry among the people of his own tribe.

The Board has at present a few more than 200 Missionaries under its care. These are widely scattered through the Church and are rendering valiant service for the Kingdom. They are ministering to more than 24,240 souls and have in their charge more than 23,968 Sunday School children. Our Hungarian ministers are each summer conducting week-day schools for the training of their young people in the principles of our religion. The service rendered by this goodly host of Missionaries throughout the Church cannot be computed by any financial standards. This appears in consecrated lives, in transformed characters and in abiding loyalties to the principles of our religion. Frequently laboring under inade-

quate conditions, with meager support, these faithful workmen for Christ are helping to build the Kingdom of God into the life of the nation. Their support must come mainly from those sections of the Church which are already more thoroughly established, and from our members who are moved by a love for Christ and the Church to lay their gifts upon God's altar. In our church parlance we speak of this contribution of money as the *Apportionment*. The General Synod has asked the Church at large to give annually the sum of \$358,000 for this purpose. This is equivalent to just about one dollar per member. If this full amount were forthcoming the Board of Home Missions could go aggressively forward in the performance of the task which is committed to it. Alas, today the Board is obliged merely to mark time and is prohibited from engaging in any advance work, because the response on the part of the Church has been so meager. And yet as we take a retrospect through the years it is gratifying to note that since the establishment of the Board in 1826, the Church has contributed for this work the sum of \$9,052,490. Of this amount \$7,126,713 were received during the last twenty-five years.

The sources of income for the Board are

1. The Apportionment.
2. The Church-building Funds of \$500 and more each, of which we now have \$645,000.

3. The legacies. Since 1883 more than \$300,000 has been received from those who remembered the work of the Board in their wills.
4. The annuities, which represent gifts to the Board on which interest is being paid during the lifetime of the giver.

From these various sources of income the Board has been enabled not only to give support to hundreds of Missionaries during these years of its

history, but also to invest in Mission properties in the Reformed Church the sum of \$1,500,000.

A work of such far reaching and vital significance to the Church deserves the whole-hearted support of the entire constituency of our beloved Reformed Church. As this work is fostered and promoted every other work of the Church will prosper, and as it is allowed to lag, the whole Church must eventually suffer. The new day of Home Missions has dawned; let us hail it with gladness and gratitude and speed it on its way.

FOREIGN MISSIONS

Foreign Missions are the sum total of what Jesus Christ *was*, and *did* and *taught*. Since the missionary passion was His very being, it must be evident that *Missions* are the very breath of life to the Church. A Church without a vision and without a passion is like a corpse without a soul. To spread the good news of salvation in the world is the great purpose of the Church.

* * *

Today our Church has Missions in Japan, China and Mesopotamia. There are 85 American missionaries and 430 native workers in our Missions. The students in all our Schools number about 2,800. There is a Christian constituency of about 17,000. In the hospitals and dispensaries there were treated 4,210 patients in a single year. The income for Foreign Missions from our entire Church during the three years from 1930 to 1932 amounted to \$1,031,216.30. The property valuation in Japan and China is estimated at \$2,175,000.00.

Newspaper Evangelism is being carried on in North Japan at Sendai, Yamagata, Wakamatsu and Akita. Contacts are made with about 2,000 new people every year. This is the most direct way for reaching country people, especially those in sections where there are no churches or preaching places. Dr. Christopher Noss is deeply interested in this work and there is constant need for special contributions.

* * *

In response to an S.O.S. call in the summer of 1932 for funds to support our foreign missionaries, a "Co-worker" sent \$500.00 in Liberty

Bonds, saying, "these are days when it seems no one has any money but if you have some papers that are still any good, I feel one ought to share them." Imagine the good a thousand such contributions would accomplish.

Foreign Mission Day will be observed on February 11, 1934. On this occasion the work of World-wide Missions is brought to the attention of our entire Church. Let us pray and prepare for it.

In recent years the critical situation in China has tried the faith of Christians and the patience of the missionaries. But this has proven a real advantage. The revival along all lines of Christian activity proves that the work is not of men, but of God. There are stirrings of new spiritual life among the Chinese, which are a new challenge to us. Not fewer missionaries, but more men and women of first-rate ability, is the cry of the Christian leaders. Our own missionaries plead for additional workers.

The young people of Ohio Synod have pledged the support for five years of Mr. John D. Beck, newly elected missionary to China. Mr. Beck is a 1933 graduate of Heidelberg College. Who says our youth do not believe in Missions?

The American School for Boys at Baghdad has had a successful year. Over 400 students were in attendance. The School has improved its teaching staff and advanced its standards. Music was also studied. The Commencement Exercises

The Ministers assembled at the Spiritual Conference, held at Lancaster, Pa., in August, 1933,

paid a tribute to one of our ablest and most consecrated missionaries in Japan, the Rev. Christopher Noss, D.D., on the eve of his departure for his field of labor in Wakamatsu, by contributing impromptu gifts of about \$400 in order to provide for his travel expenses from Lancaster to Japan. This was a mark of esteem to a fellow minister, as also a proof of liberality, on the part of a group of earnest workers, that will be an abiding memorial of an annual fellowship of kindred spirits.

* * *

The one great obstacle that hinders the work of our three Missions and which must be faced by the Church, sooner or later, is a *burdensome debt*. How did it happen? Many congregations have been delinquent in the payment of their annual Apportionments for this sacred cause. We are confident that this condition would be remedied if the actual situation were known by the members. We believe the heart of the Church still beats in unison with the voice of Jesus.

THE BOARD OF CHRISTIAN EDUCATION

REV. FRED D. WENTZEL
Director of Leadership
Training in the local
church

The Board of Christian Education furnishes guidance and direction in Church School work, in Leadership Training and Young People's work, and has a co-operative relationship with the educational institutions of the Church. As the publication board of the Church, it issues the Reformed Church Messenger, the Almanac and Year Book, Hymnals, Church School

periodicals and lesson helps and publishes other literature. It maintains a Book and Church Supply business and owns and operates, for the Church, our denominational headquarters building, the Schaff Building, at 1505 Race Street, Philadelphia. Consequently its responsibilities and activities are rather varied.

Greatly decreased receipts in every department of the Board's work during the past year have made many adjustments necessary. Rigid curtailments have had to be made, including salary reductions and the dropping of a number of staff workers and other employees. In a time when increased emphasis is being placed on an adequate educational program it has been unusually difficult to make these readjustments.

More and more the work of the Church School is being developed through departmental specialization. But in spite of this fact in the Department of Home and Church the services of three specialists have had to be discontinued, Mrs. Margaret L. String, Director of Children's Work, Mrs. Catherine Miller Balm, Director of Young People's Work and Mrs. Anna L. Miller, Field Worker for the Ohio Synod. Provision has been made whereby the most urgent needs for specialized help will be taken care of, although not in any sense adequate to the need. Mrs. String has signified her willingness to maintain her correspondence and in this limited way she will furnish suggestions and guidance in the Children's Division. Mrs. Miller will give some voluntary service in

the territory where she so faithfully labored as a member of the Board's staff. In the Young People's Department, Rev. Fred D. Wentzel, Director of Leadership Training in the Local Church, will assume major responsibility, in addition to his other duties, and will aid individual Classes and groups of Classes as time and opportunity may afford. Correspondence and the printed page will have to be resorted to in a much larger way than heretofore, until the Board is again in a position financially to offer more personal and direct help.

For the past five years the Eastern Synod has been working in close co-operation with the Board of Christian Education in an effort to reach the local schools within its area. At Camp Mensch Mill on June 8, 9, 10, a Conference of Classical Committees on Christian Education was held to hear about and to report on what had been accomplished to date, and to outline what needed to be done to promote further this important enterprise. It was decided that the four things which require special emphasis in the near future are, the promotion of the Worker's Conference, the adoption of Standard B in local Church Schools, emphasis on Leadership Training, and

greater use of the skill of the Minister. The working out of this plan in the Synod is expected to cover a period of five years.

Recently Potomac Synod's Committee on Christian Education appointed a sub-committee to study carefully the Board's Intensive Field Promotion Plan, which is really a plan of self-help with the Board rendering all possible assistance, and to submit constructive suggestions for its adaptation to the needs of this Synod.

West Susquehanna Classis of Eastern Synod and East Ohio Classis of Ohio Synod have given special attention to the Plan. East Ohio Classis is striving for a 100% introduction of Standard B in its Church Schools, and West Susquehanna Classis has been at work for three years to lift the standard of Sunday School work all along the line. This committee has prepared a Statement of Function of a Classical Committee on Christian Education. This statement asserts that in the final analysis, the responsibility for religious education in a Classis rests upon the Classical Committee on Christian Education and that the Board of Christian Education is the indispensable helper.

Recent developments have made it increasingly

evident that a vigorous and aggressive campaign of temperance education will have to be carried on. The Board of Christian Education, the Woman's Missionary Society of the General Synod and the Social Service Commission of the Board of Home Missions are associated with one another in this common cause in what is known as the Joint Committee on Temperance Education which proposes periodically to keep the Church informed about available temperance materials.

VACATION CHURCH SCHOOL, ST. ANDREW'S CHURCH, ALLENTOWN, PA.
REV. H. I. AULENBACH, Pastor

DAYTON SUMMER SCHOOL OF LEADERSHIP TRAINING, 1933

The new forms for use in the Administration of Beneficiary Aid Funds, which were approved by the General Synod when it met in June of 1932, and which have since been approved by the respective Synods and commended to the Classes for use, have been printed by the Board of Christian Education and are now available. It is fully expected that the use of these forms will not only do much to unify the practice of the Church in handling its beneficiary aid expenditures, but will initiate a number of much needed reforms.

The new Catechetical Manual issued by the Board more than a year ago has met with a most encouraging reception. The first edition was completely sold out in a short time. Pastors are finding the material in the Manual very helpful for use with groups looking forward to Church membership.

Despite severe economic conditions, attendance at the Dayton Leadership Training School and at Camp Mensch Mill was larger than last year and at the Shady Side School was most encouraging.

The annual Pastor's School of Religious Education at Central Theological Seminary was again successfully held.

Plans are under way for merger of the Dayton School of Leadership Training and the Tiffin Summer Missionary Conference in the summer of 1934. A greatly improved school will eventuate from this merger.

One of the most glorious achievements of the Church in the present century is the work the denominations have done co-operatively in Christian Education. As a result of the past ten years' work in particular, the Christian Church now has what may properly be called an underlying Christian philosophy of education and a course of study worthy of being called a curriculum.

Our hope lies in close denominational co-operation with the International Council of Religious Education, the State, County and City Councils

of Christian Education. More and more this task is being envisioned and plans are under way for its practical realization.

Steadily the Departmental Graded Lessons are gaining in favor, and displacing the Uniform Lessons in the lower grades. The Departmental Lessons now include lessons dealing with our own denominational Missionary work in the Foreign and Home lands. The first lessons of this type appeared in the Junior Department Quarterly in January, 1932. China, Japan and the early history of the Reformed Church in the United States were the fields covered at that time. In the last quarter of 1933 a course was offered on Our Missionary Work among the Moslems. As opportunity offers the Departmental Graded Lessons will present more and more courses of this nature. For this purpose the Woman's Missionary Society contributes the money to cover the cost.

FOOD FOR MIND AND HEART

Those who have been readers of the Church paper for years do not need to be convinced of its power for good. In many thousands of homes it has proved itself a real blessing. If we are to maintain a Church in which educational religion and religious education are not simply theories, but actual facts, we must have a *reading people*—families who are intelligently informed with regard to the activities and the needs of Christ's Kingdom. The *Reformed Church Messenger* (\$2.50), our oldest Church paper, is edited by Rev. Dr. Paul S. Leinbach, with the Rev. A. S. Bromer, D.D., as Associate Editor, The *Christian*

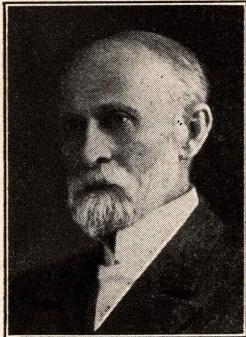

World (\$2.00) is edited by the Rev. Dr. H. S. Gekeler. The *Kirchenzeitung* (\$2.25), our German paper, is edited by the Rev. Dr. Carl F. Heyl. The *Outlook of Missions* is published monthly, price \$1.00, and the *International Journal of Religious Education*, monthly, costs \$2.00. Remember that a truly *Reformed* Church must be an *informed* Church. Too many homes are now without Christian literature. One of the greatest services you can render to Protestantism is to inspire a love of good reading in the hearts and minds of the people. And the only genuine statesmanship is to begin with the children in the home.

Life Annuity Bonds

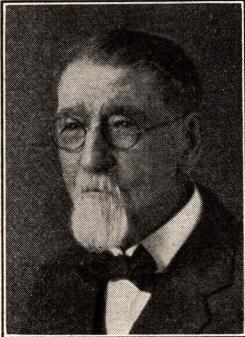

If you are living on your income and will in all likelihood never have to spend the principal, why not make a perfectly safe investment at a fair rate of interest by taking a Life Annuity Bond? You will receive the interest as long as you live and the Board will have the use of the money at once.

Write to the Secretary of the Board you are interested in. He will explain the plan to you.

Ministerial Relief is not charity. It is simple justice. "The laborer is worthy of his hire." Ministerial Relief is a deferred payment for services rendered. Our ministers have gathered the money each year for Home Missions, Foreign Missions, Christian Education, Ministerial Relief, Orphans' Homes, Old Folks' Homes, and largely for our Academies, Colleges, Theological Seminaries and for every other institution and benevolence of our Church. Therefore, our Church, in a small way, rewards our ministers for these and other services by means of Ministerial Relief. Our Church likewise rewards the widows of our ministers for similar services.

The Board of Ministerial Relief

General Synod's Board of Ministerial Relief cares lovingly for our aged and disabled ministers and the widows of our ministers to the extent of its ability. It is the Big Brother Board. It gives all it receives from our Church, and considerably more, to our veteran ministers and their widows. It uses no contributions of our Church for its overhead expenses.

Our Ministers

Our ministers are divinely called and ordained. They are our spiritual teachers and leaders. Our ministers bring salvation to the world through Jesus Christ. Therefore, the first duty of our Church is to care adequately for our ministers while they are in the active service of the Church and when they become aged or disabled. Our Church owes a great debt of gratitude to our ministers, which it can never pay in money.

Our Relief Annuitants

During the last three years the annuitants of the Relief Department averaged 269. Of the 269 annuitants in 1932, 89 were ministers and 181 widows of ministers. Some of the older annuitants are between 70 and 80, others between 80 and 90, and still others between 90 and 100. The oldest annuitant will be 100 in March, 1934. In 1932 the Board paid \$64,631.22 to the 269 annuitants and in 1933 somewhat less to a few less annuitants.

Our Ministers and Widows Need Help

Some of our ministers are too old to serve. Others are paralyzed, rheumatic, blind, deaf, tubercular, and are otherwise disabled. All of them are too poor to support themselves. For these reasons all need help, and to whom can they go for help but to our Church? Our Church owes our aged and disabled ministers and their widows a living.

The Apportionment

Our Church helps our Relief annuitants through the Apportionment, the receipts of which have always been too small to care for them adequately. Moreover, our Church people, by their reduced giving, compelled the Board of Ministerial Relief to reluctantly and regretfully reduce the Relief grants \$5,105 in 1930, \$5,980 in 1931, and \$5,390 in 1932, or more than 21% in the last three years. This worked a great hardship upon our deserving and uncomplaining veteran ministers and their widows. Let us not forsake our

veterans of the Cross. Let us pay the full Apportionment of \$80,137.20 for Ministerial Relief.

Our Sustentation Fund

Our Sustentation Fund was established by the General Synod in 1917. The membership consists of ordained ministers, licensed ministers, and lay missionaries. The annual dues range from \$17.13 at 21 to \$93.69 at 60. No member pays dues after he is 70, or disabled. He then receives his benefits, which are \$500 at 70; or \$100 for the first five years of service, plus \$10 for each additional year of service at disability. However, the Board can pay only one-half of these benefits at present, because our Church has provided only one-half of the money needed.

Sustentation Fund Annuitants

The Sustentation annuitants increased from 2 in 1923 to 106 in 1932. On July 1, 1933, the annuitants numbered 114, of whom 24 were 70 year ministers, who received \$5,915; 22 were disabled ministers, who received \$3,518.05; 65 were widows of ministers, who received \$6,377.81; and three were orphans of ministers (under 18) who received \$113; a total of \$15,923.60. If these 114 Sustentation annuitants had received their 100% annuities, instead of 50%, they would have received \$31,847.20.

New Financing of Our Sustentation Fund

In accordance with the instructions of the General Synod, the Board of Ministerial Relief will do everything in its power to increase the annuity of every member of the Sustentation Fund, and will give each congregation the opportunity to raise as much as it is willing for its pastor, and

thus increase the annuity of every member of the Fund to the maximum 100%. This in a few words is the plan for the new financing of our Sustainability Fund.

Ministerial Relief is Christian

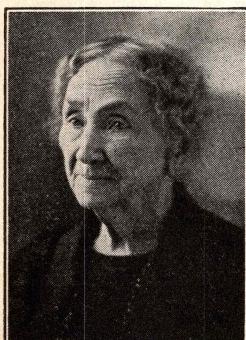

Ministerial Relief is Scriptural (I Cor. 9:1-14). It is also in accord with the best social practices of the age. Our federal government, our states, and our larger corporations care well for their aged and disabled employees. Surely our Church will not be outchristianed by the world. Ministerial Relief moreover is ethical, in that it is simple justice; it is a first obligation of our Church; and it is greatly needed.

Ministerial Relief Helps Congregations

Ministerial Relief helps our congregations. (1) It helps by inducing the best young men to enter our ministry. (2) By producing better preachers, because they can buy more books and magazines, and take university courses. (3) By causing our ministers to give full time service, instead of giving part of their time to teaching and the like. (4) By causing practically every pulpit in our Church to be filled. (5) And by relieving congregations of supporting their pastors, when they become aged or disabled.

Ministerial Relief Has Many Friends

The friends and supporters of the most worthy cause of Ministerial Relief have multiplied again and again. Every year Ministerial Relief wins many new friends. The thousands of friends of Ministerial Relief have made possible its remarkable growth. Our Church is deeply grateful to our pastors and people.

THE WOMAN'S MISSIONARY SOCIETY OF GENERAL SYNOD

WEEK OF SPECIAL WOMEN'S CLASSES CONDUCTED BY MISS ZIERDT AND MRS. HILGEMAN
IN HYGIENE; MISS FLATTER, MUSIC; AND MISS LIU AND MISS WEIL, BIBLE

The annual meeting of the Cabinet of the Woman's Missionary Society of General Synod met at Central Seminary, Dayton, Ohio, May 22-25, 1933. Reports summarizing the activities and interests of the Educational and Promotional Departments, for the first year of the 1932-35 triennium, reflected both hopefulness and anxiety. A study of the reports re-emphasized that wherever there is intelligent and enthusiastic leadership, the local society maintains its normal efficiency. Special attention was given to the variableness, from time to time, in the status of local societies. This brought about action which promises far-reaching significance. No methods had been defined to meet the frequent turn-over among departmental secretaries in local societies. Women became departmental secretaries without information to carry forward the work of the department. To remedy this, the General Departmental Secretaries were instructed to furnish to local secretaries, not only General Instructions, but a full outline of the work for the current year. By early autumn, in each of the more than 750 local societies, there will be seven women who have detailed information about the work they are expected to do during the year. By this closer co-operation and more intimate insight into the work of the General Society, it is to be hoped local officers and secretaries will stem—what has

become a serious situation, i. e., the continuing loss in membership.

The total membership of the Woman's Missionary Society and the Girls' Missionary Guild is 26,600. Based on that number, the budgets will provide, in round figures, \$18,000 for Home Missions and \$20,000 for Foreign Missions. In addition \$40,000 is the estimate for Thank Offering and Mission Band offerings. While the two mission boards administer the budget and thank-offering moneys, the Woman's Missionary Society regards as an obligation such parts of the work as it has agreed to support. This includes partial or full support of deaconesses and teachers working in Hungarian, Japanese, American Indian and English speaking missions and mission schools. Evangelists, teachers and nurses in Japan, China and Iraq. Equipment, necessary to develop the four-fold life has been and is being provided. A program of education always accompanies the financial program.

The committee to arrange for the Fiftieth Anniversary held its first meeting at Dayton, May 22nd. Mrs. F. W. Leich presided. Miss Ella Klumb of Milwaukee, Wis., was elected secretary. The following recommendations were approved by the Cabinet. To designate June 2, 1937, to June 2, 1938, as Fiftieth Anniversary Year, with the idea that local societies shall hold their spe-

cial service prior to June 2, 1938, when the General Society will observe the occasion in Grace Reformed Church, Akron, Ohio, in connection with the Triennial Meeting. It was in Grace Reformed Church that the W. M. S. G. S. was organized.

Facts and figures from the 1933 reports:—
Membership:— Woman's Missionary Society 20,863; Girls' Missionary Guild 5,797; Mission Band 8,889. These members are found in 758 societies, 409 Guilds and 293 Bands.

The Reading Course closed its fourth year with 7,199 women and 2,183 girls participating.

From the middle of October to the middle of November 42 classical *Missionary Educational Institutes* were attended by 5,199 women.

The 42 *Fellowship Congresses* held March 26th were attended by more than 6,000 women.

In spite of closed banks and other obstacles, receipts from the Synodical Societies amounted to \$91,803.84. Of this sum, \$31,672 was Thank Offering. Over and above the budget and Thank

ONE LITTLE, TWO LITTLE, THREE LITTLE INDIANS—SEVEN LITTLE LADS CLIMBING THEIR WAY TO CHRISTIAN CITIZENSHIP AT THE WINNEBAGO INDIAN SCHOOL, NEILLSVILLE, WISCONSIN

Offering, \$8,636 was given for special gifts. During the past year the Society contributed to the Boards of Home and Foreign Missions, \$82,714.24.

THE SUMMER MISSIONARY CONFERENCES

A very significant reorganization has been made with regard to the work of missionary education. Formerly the Department of Missionary Education was a cooperative one supported equally by the Board of Home Missions and the Board of Foreign Missions. During the past year the work of the Department has been assigned to the Advisory Council of Missionary Education. This Council is composed of representatives of the Board of Foreign Missions, the Board of Home Missions, the Board of Christian Education, and the Woman's Missionary Society. The Department has been reorganized and a comprehensive program of cooperative effort has been adopted. The direction of this work is in charge of Rev. A. V. Casselman, D.D., as Secretary.

During the past year Missionary Conferences were held at the following places: Bethany Park, Brooklyn, Ind.; Hood College, Frederick, Md.; Heidelberg College, Tiffin, Ohio; Shady Side Academy, Pittsburgh, Pa.; Catawba College, Salisbury, N. C.; Ursinus College, Collegeville, Pa.; Mission House College, Plymouth, Wis.; and Zion Church, Buffalo, N. Y.

It was feared that the financial depression of the past year would result in decreased attendance for 1933. Indeed, many people were in favor of not trying to have the conferences last year. These fears proved to be unfounded. At all the conferences except two the attendance was practically as large as the previous year. At several the attendance was larger last year and one conference had the largest attendance it has had for five years. The general average attendance of the conferences was larger than in recent years.

These conferences were more thoroughly young people's conferences than ever before. To be sure there were representatives of missionary societies and other organizations but the young people were in the decided majority at every conference. This is as it should be. There are many problems facing the Christian church today and none of these is more important or calls for more careful consideration than the problem of Missions. These difficult tasks will be solved by those young people of the church who are to be the leaders of tomorrow and who must be trained for the duties of the difficult days immediately ahead.

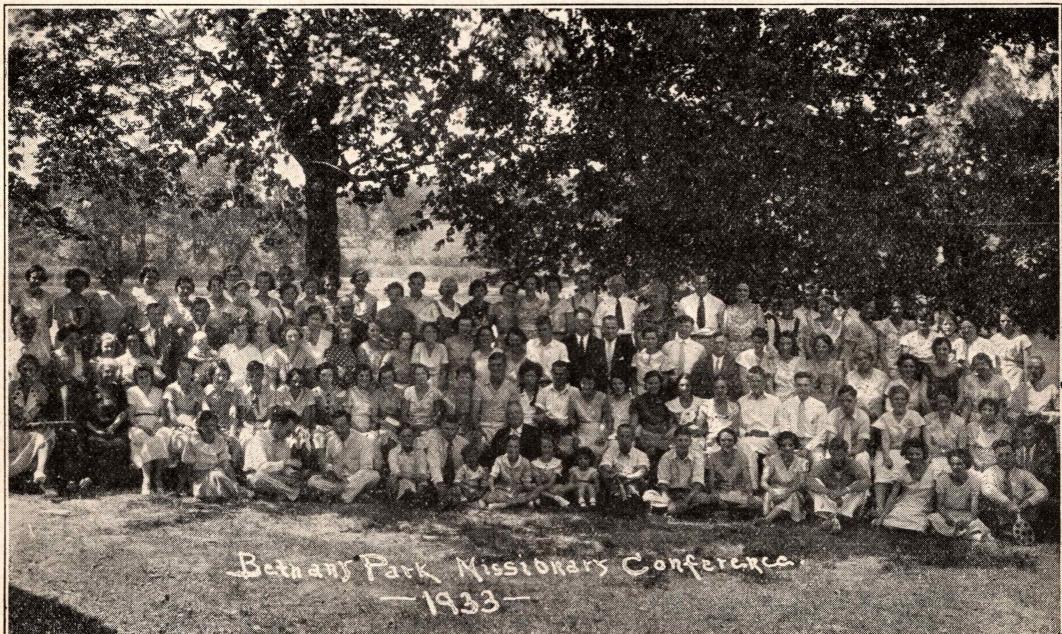

CATAWBA SUMMER MISSIONARY CONFERENCE, 1933

The delegates at the summer conferences last year were a carefully selected group. We have never had more earnest and purposeful delegates at summer conferences. This was manifest in the almost perfect attendance at the class sessions of every conference. Then, too, the delegates of the

conferences last year represented a larger number of churches than have been represented at the summer conferences before.

The general theme of the conferences was: "Christ and the Modern World." This was a fundamental theme and the delegates entered in-

to its study with real sincerity. The conferences of last year were for many a period of "rethinking missions." All of this serious study of the missionary enterprise with its modern difficulties and problems will be of infinite worth to the congregations this year.

It is not too early to think of the themes for study for the year 1934. For 1934, both the Home and Foreign Mission themes are of vital

interest to the Reformed Church. The Foreign Mission theme for 1934 is "Japan"; and the Home Mission theme for 1934 is "The Oriental in America." This Home Mission theme for the Reformed Church will mean our Japanese Mission on the Pacific Coast. Thus it will be seen that both the Home and Foreign Mission themes of next year are of vital interest to the missionary cause of the Reformed Church.

REFORMED CHURCHMEN'S LEAGUE

The year 1934 should witness a revival of interest in MEN'S WORK throughout the Reformed Church and the establishment of a Chapter of the Reformed Churchmen's League in every congregation.

Possibly the greatest unused force in the Reformed Church is the combined and active force of our Christian laymen.

"WE DO OUR PART" is the slogan of the N. R. A. of the U. S. Certainly, nothing less will suffice to adequately express the loyalty of the 100,000 laymen enrolled in our membership toward Christ and the Church.

We are convinced that our laymen are minded to do their part manfully, heroically, sacrificially, when once they are intelligently informed of the need and glorious opportunities for Christian service and given their rightful place in the scheme and schedule of our denominational work.

Christian men, truly devoted to Christ and the Church, are as willing and anxious today to "come to the front" as were their forefathers, who headed every spiritual advance and conquest in history. There is imperative need of vigorous and concerted action on the part of Christian men, if the forces of materialism, of atheism and despair are to be checked and routed.

Every man should be a Christian and every Christian should be a Churchman in the fullest sense, engaged in Christian worship and Christian work.

This is not a day for multiplying mere organizations in the Christian Church. Possibly much of our weakness lies in our being over-organized, in the multiplicity of organizations, each with a slogan and a highly specialized purpose and program; each demanding seasonable priority and

almost imperialistically demanding the "right of way."

Thus additional burdens are placed on the already "overloaded" Pastor, the members become perplexed and the work of the Boards hampered on all sides. The economic law of "division of labor," when over-zealously applied, threatens to "crack up" the whole scheme of co-operative work and dissipates responsibilities to the point of demoralization.

The Reformed Churchmen's League is not "just another organization." If this is its chief aim, it deserves to be ignored. It is the one duly authorized agency, authorized by the highest judicatory, the General Synod, to establish and promote work among men in our denomination.

The League is not primarily interested in organization or organizations, but it is vitally interested in CHRISTIAN MEN and aims, by way of fellowship, association, study and service to develop their CHRISTIAN FAITH, MANHOOD and ASSERTIVE QUALITIES and gear these into the local and denominational program.

Its three great principles — evangelism, stewardship, missions — cover the entire gamut of Christian Work. The monthly program, directed by the laymen, presents topics for study and dis-

cussion, which pertain and apply directly to present-day problems of men and their participation in the work of the Church, local and denominational. The fact that our laymen, throughout the denomination, are studying these topics together, makes for associative thinking and lifts the whole group to higher levels of understanding and purpose. There are values in such meetings quite beyond those which are arranged hurriedly and without any specific contributions or for mere entertainment. The educational program is the heart of the League.

The Executive Committee, made up of educators, business men, executives, professional men, mechanics, workers, has no purpose other than to help grow Christian personalities; to rally the men of our Church around Christ and to the Church; to help the Pastor in his work; to make religion function in the community and commonwealth and to aid the Boards in carrying forward the work assigned by the General Synod.

Many of the existing chapters—now approaching 100—with a membership of 1800—established in every Synod but one and in the majority of classes, are proving to the satisfaction of Pastors, Consistories, and the Church, that there is

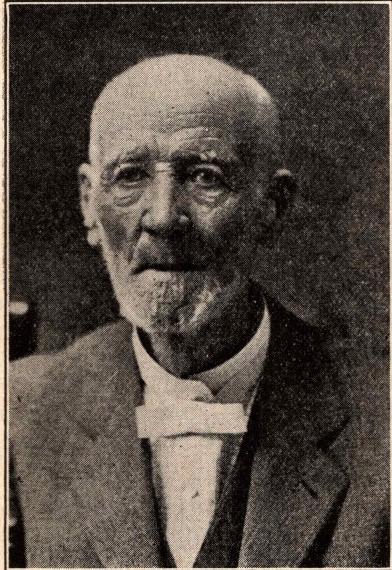

abundant vitality and strength in the laymen of our Church, men as efficient and splendid as in any other Christian Communion.

It would greatly strengthen the cause if all existing men's organizations, like those of Andrew and Philip, Bible Classes, Brotherhoods and Men's Clubs, would associate themselves definitely with the League and our Men's Work could be carried forward unitedly.

A good beginning has been made but the main body still awaits the call of Christ to closer co-operation and fellowship.

This year we expect to augment our forces by direct contact with 20,000 laymen already enrolled in the brotherhood of the Evangelical Synod of N. A. Together we will have a company of 200,000 men to challenge and to win for Christian fellowship and co-operative activity.

It is hoped too that some provision will shortly be made to place this needful and important work upon a sound financial basis so that the force of Christian laymen can assert itself and the work of Christ and the Church may be strengthened on all fronts.

CENTRAL PUBLISHING HOUSE, CLEVELAND, OHIO

The history of this institution of the Reformed Church has been ably told in last year's "Almanac and Year Book," so that it does not seem necessary to repeat it or enlarge upon it.

The important work which Central Publishing House is doing for the Church at the present time may be of interest, especially for that part of the Church that has not been familiar with it in the past. Some parts of this work it has been doing for years, in fact for more than seventy-five years. Other parts of it were undertaken only a few years ago, or quite recently.

Central Publishing House has provided the German part of our Church with all the necessary literature of a Christian Church, since the House made its humble beginning about seventy-five years ago. The "Kirchenzeitung," the "Lämmerhirte" (a Sunday School paper), the "Lektionsblätter" (a S. S. Lesson Quarterly), German Teachers' Bible, and the German Hymnal, are a few of the many publications through which this House was instrumental in helping to extend the Kingdom of God both in the eastern and later especially in the great missionary western part of the Church.

Then the time came when the English language increasingly became the Church language of many congregations that had once been entirely German. Not to have supplied them with all the necessary literature and helps would have been in utter contradiction to the spirit of its most eminent founder, Dr. J. H. Ruetenik, whose zeal for the preaching of the Word in every tongue induced him, in his advanced age, to learn Italian, in order that he might bring the glorious Gospel of the Lord Jesus Christ to the Italian immigrants who came to Cleveland in great numbers at that time. While a line of English books and other Christian literature was always published and had always been carried by Central

Publishing House, it now became more and more an English House with a line of German material as far as still needed. This is its real status today.

The fact may here be stressed that this House is a *Publishing House*, with a fully equipped, modern, efficient and recognized printing plant, a large well-equipped bindery and all other machinery to do all the necessary printing and publishing of the Church in the most acceptable manner. It has given proof, time and again, that it is fully able to print and publish highly technical textbooks to the full satisfaction of their authors.

It manufactures also, from the ground up, the most modern system of various loose-leaf and bound Church records which are enjoying an increasing appreciation in various parts of the Church, and will no doubt make a still wider appeal as soon as more normal times return. And that other supplies for the Church and Sunday School, of various kinds, are either manufactured or carried in stock, ready to be sent out promptly when ordered, needs hardly to be stated.

One of its main purposes has ever been to supply the Church, both clergy and laity, with good books. A very large stock of Bibles, hymnals, theological works, books for the preachers' library, for the S. S. library, for boys and for girls, some good fiction, low-priced and better bound

editions of the classics in several languages, all this and much more, is constantly on hand; and the business connections of this House with large and smaller Publishing Houses enable it to fill orders of practically all books in which the minister and his people may be interested.

Early in 1933 the Board of Christian Education of our Church gave Central Publishing House a contract for printing and shipping the entire Sunday School literature of the Church. While these lines are being written, the first numbers of these publications, "The Home Department Quarterly," "The Adult Class Quarterly," "The Heidelberg Teacher," "The Way," etc., have been and are being sent out. We are assured that it will be the earnest endeavor of this House to continue in this important service of the Church to the very best of its ability.

Central Publishing House is a valuable property of the Church, built up, through the self-sacrificing labors of men of God, out of practically nothing. It has never had much, if any, working capital; its profits have been used in the building up of the property for the more efficient service of the Church. These times of depression have not left it unscathed. Smaller sales, slowed-up collections and all the other impediments of business have exerted their obstructing influence. It would be a great help, and a Christian work of incalculable blessings, if well-to-do members of the Church would remember this House with substantial gifts, and when they make their wills, with Memorial Funds for the Spreading of the Gospel through the Printed Page. That would, indeed, be a monument more durable than bronze.

OUR ORPHANS' HOMES

PLAYGROUND

BETHANY

BETHANY ORPHANS' HOME, WOMELSDORF, PA.

Rev. Henry E. Gebhard, Superintendent

The 70th Anniversary has found Bethany stressing first and foremost the interest of the child. While contributions have decreased greatly or equivalent to two months' support of the Home, we have done all in our power to keep the child from realizing any change in the physical or mental care.

Organized and directed recreation is one of the greatest builders of character. It helps the child forget the past, it develops self-control, it trains

leaders. Bethany employs two recreational leaders who spend full time with the children each summer. If the child knows how to play properly its attitude to work changes and its ideals of life become broadened.

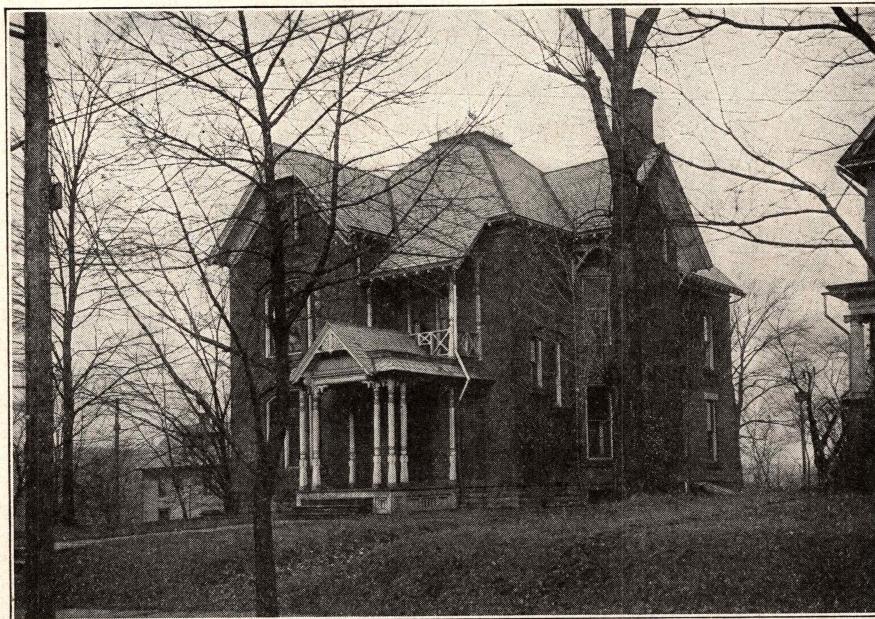

The 46 children admitted last year, which were 12 more than the previous year, bring the total admissions and the number cared for to a new high record for Bethany.

which in the future will prove beneficial, and place this work of the Church on a higher plane.

In the midst of these necessary changes came a great and distressing calamity—the burning of the large and well-equipped barn and the large and valuable herd of Jersey cows. Perhaps even this calamity will in the end help us to a higher appreciation of the work we are privileged to do as a Church for unfortunate people.

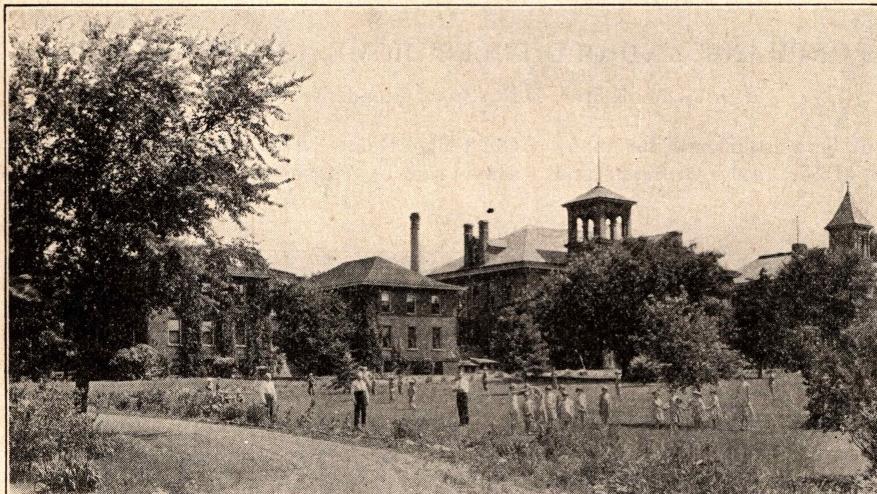

The year 1933 will also be remembered as the

year in which a permanent home for our old folks was secured. This new home is well located in the town of Greenville, can be and no doubt will soon be enlarged so that at least twenty-five old people can be accommodated and given the blessing and privileges which they so well deserve.

We are happy in the belief and hope that the friends of the work throughout the Church will lend us a helping hand through the coming year.

THE
FRONT
YARD
FT. WAYNE

The Ft. Wayne Orphans' Home of the Reformed Church, located at Ft. Wayne, Ind., has just finished 50 years of continuous service. The Fiftieth Anniversary was celebrated in a fitting way on the Orphans' Home grounds, Thursday, Aug. 10, 1933. The festivities were participated in by many Reformed Church people from far and near. Rev. Dr. T. W. Hoernemann, of New Philadelphia, Ohio, brought the message in his usual thoughtful and convincing way. In the 50 years of service the institution has had four Superintendents: Rev. and Mrs. John Rettig, who came to the Home from First Church, Indianapolis, Ind.; Rev. and Mrs. B. Ruf, who came from Cross Church, Berne, Ind.; Rev. and Mrs. John F. Winter, who came from First Church, Toledo, Ohio;

and Rev. and Mrs. J. F. Tapy, who came from Grace Church, Culver, Ind. Practically 900 children have been cared for during this time, for a longer or shorter period, and many living today look back to the days spent in the institution with a keen sense of appreciation of what the Church has done for them. The four Synods who are joint owners of the institution have each sent their greetings and best wishes through their respective presidents. These greetings and expressions of good will are hereby gratefully acknowledged and are highly appreciated. We wish in turn to assure the Church of the continued faithful service the Home has given in the past, praying for the loyal and liberal co-operation of the Church and its auxiliary organizations.

GEORGE W. AND AGNES HOFFMAN ORPHANAGE, LITTLESTOWN, PA.

Rev. A. P. Frantz, B.D., Superintendent

With faith in God and confidence in the friends of the orphans, the 72 children were supported and necessary repairs and improvements made during the year. The children are in remarkably healthy and vigorous condition, with constant personal care and a free and happy life of work and play in God's open country. The new Anna Belle Everhart Dining Hall provides an ideal place for a real family life. All the children are trained to work and all love to play. Special attention

is given to the Church School and worship services, as well as the Christian Endeavor service every Sunday. The Girls' Missionary Guild meets monthly. On Easter Sunday, 14 of the boys and girls were confirmed as communicant members of the Church. In this time of reduced incomes and perplexing problems, the Orphanage must depend on Christmas offerings, special gifts, legacies, annuities and donations.

During the past year 53 children have been cared for. Our present population numbers 51 children. Our plant consists of 140 acres of land, upon which is erected a large Girls' Building, a Boys' Building, Superintendent's Home and Farmer's Home. At present plans are being laid for the erection of a modern laundry. Our location is at Rockwell, in the heart of the Pied-

mont Section of North Carolina, our climate is healthful and our environment wholesome. Our children are given every advantage possible that is within our income. We deeply appreciate past favors on the part of our friends and earnestly solicit your continued support and your prayers, in order that our Home may continue to grow in service to God and to humanity.

1933

CONCERT

CLASS

NAZARETH

FAIRVIEW PARK HOSPITAL, CLEVELAND, OHIO

Rev. Philip Vollmer, Jr., Superintendent

In 1934 we will celebrate the fortieth anniversary of our incorporation as a hospital organized for the care of the indigent sick. While hospitals throughout the country showed a 55% occupancy, our occupancy was 66%. Last year also we reached an all-time high in free work. Although income from patients has been on the way down, while the demand for free work has been increasing, the Board took action to continue as before, in spite of the difficulty experienced in finding funds. The year 1932 showed 3,971 free days and other free work, at a cost of \$25,289.55; loss on allowance days, \$1,431.95; discounts to patients \$4,198.29; Dispensary deficit, \$5,334.60; total gross loss \$36,254.39. Toward this there was a Welfare Federation contribution of \$1,607.00, leaving the net cost of free work at \$34,647.39.

The Dispensary has had the largest year in its history, taking care of 15,623 visits, a 35% increase over the 11,576 visits of 1931.

The per capita cost at Fairview has been steadily declining, being \$5.38 in 1929, \$5.30 in 1930,

\$4.49 in 1931 and \$4.37 in 1932, that is, a drop of 19% since 1929.

Like almost everything else—church and college, home and foreign missions—the hospital fights an economic battle. The material resources of the world seem to be badly held and stupidly used. If this were not true, surely we should not find schools, churches and hospitals—which do so much to help the race in its fight for the highest ideals—in such dire straits today.

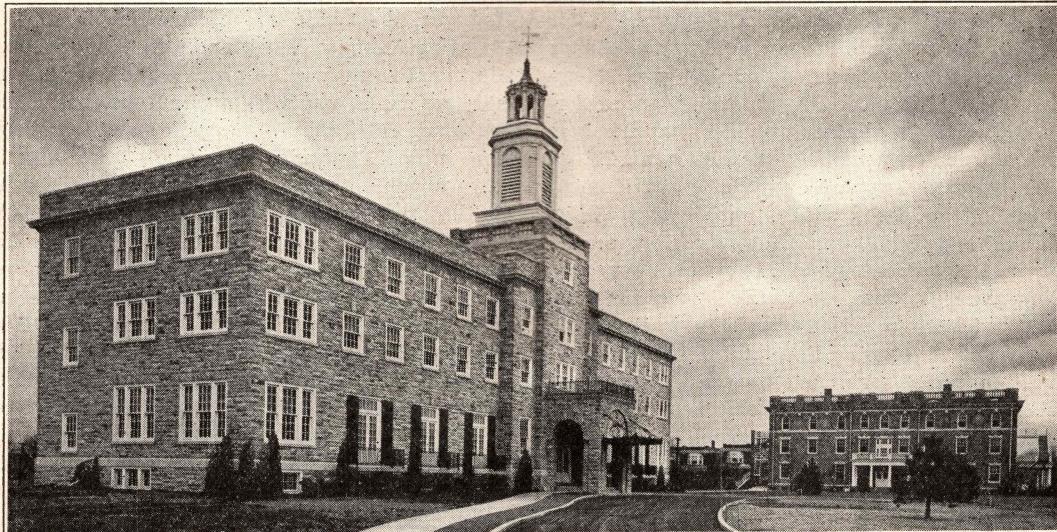

This condition challenges all who see and feel the need. Government may have to step in to help. Insurance schemes covering hospitalization are now successfully operating and will probably increase in number. Old-fashioned hospital donations are urged upon you.

Membership in the hospital Society has increased slightly. New members can now join for \$1.00, and lapsed memberships may be revived for a like sum.

We are ready at all times to hospitalize, without cost to the patient, the sick poor.

PHOEBE HOME—EASTERN SYNOD'S OLD FOLKS' HOME, ALLENTOWN, PA.

Rev. F. H. Moyer, Superintendent

The new Administration and Service Building, left, having 25 bedrooms already furnished, and infirmary, unfurnished, capacity 25 additional beds, was dedicated on June 8, 1933. \$250 furnishes an infirmary bedroom and may be given as gift or memorial by individuals or organizations.

The other building, when remodeled on the first floor, will be purely a dormitory, capacity 50 beds.

The Home needs funds to pay a small debt on its property. Its present endowment of \$125,000

should be largely increased. Larger annual income is needed to support a rapidly growing family. Having assets totaling nearly half a million dollars, the Home issues Annuity Bonds which are safe investments. Remember the Home in your will. The interest of \$10,000 paid into the Endowment Fund supports perpetually the occupant of a room. The name of the person making such endowment may be attached to the room endowed.

WE ARE PROUD OF OUR SCHOOLS

The educational institutions under the auspices of our Church, as listed in this ALMANAC AND YEAR BOOK, not only constitute an impressive list of 20 schools at home and abroad, but bring to every thoughtful reader a remarkable story of sacrificial devotion. We doubt if any denomination the size of ours can catalogue seminaries, colleges and academies of higher types. The quality of these schools is maintained not only by the self-denial of their faithful supporters throughout our own and other Churches, but also by the fidelity of the faculties, often but meagerly supported,

who give their best to uphold the finest traditions and to advance the standards of these institutions of learning. The endowment of these schools of the Church should be greatly increased, so they may be enabled in the future, as in the past, to render a service that is second to none in the educational world. We are thankful for the generous men and women who have remembered this basic work of education by gifts and legacies, and we pray that many more may be moved to make provision in their benevolent giving and in their wills for this cause.

THE HOME FOR THE AGED OF THE REFORMED CHURCH, UPPER SANDUSKY, OHIO

Truly a Christian Home for aged Christian people who served the Church in the days of their strength, and who are now in need of the shelter and care which only such a Home can give. Members of the Reformed Church are given preference, although the charter provides that members of other denominations may also enter this Home.

The Home is supported by an apportionment levy upon the three supporting Synods—Ohio, Mid-West and Northwest. However, since the decline in the percentage of apportionments paid during the past few years, the Home has been confronted with a serious problem in financing the current expenses. Special gifts from individuals, organizations, and societies, as well as legacies and annuities are greatly needed to supplement the apportionment income. During the past year the indebtedness on the central unit

building erected five years ago was refinanced. However, the bonds will become due in 1937.

During the past year plans were made whereby additional room may be provided for at least ten more residents, at a very nominal expense. Thus the Home can easily arrange to care for several more who may desire to enter. Many who inquire about entering the Home have either lost all that they once possessed, or what little they have left cannot be converted into cash. This leaves the Home without the entrance fee revenue, and emphasizes the need of a larger support from the Church, in order that the Home may be able to meet the greater needs. Mr. Troy A. Dahn, 216 Hathaway St., Toledo, Ohio, is the secretary and treasurer. Applications for entrance should be sent to the Superintendent, Chas. P. Troup, Upper Sandusky, Ohio.

REFORMED CHURCH HOME FOR THE AGED, WYNCOTE, PA.

Rev. Charles B. Alspach, D.D., Superintendent

Because of continued illness and by the insistent demand of his physicians, Rev. Maurice Samson, D.D., resigned as the President of our Board of Managers. While we were loath to accept his resignation, yet we are glad to tell you all that the Rev. J. Rauch Stein, D.D., has been elected to fill the vacancy and we rejoice in his willingness to serve this good cause in this capacity.

Our 24 guests are from 19 congregations and represent the following counties: Montgomery 10; Philadelphia 10; Chester 1; Berks 2.

We have reduced our overhead expense to the very lowest possible minimum but we continue to provide the same ample food; in this there will be no reduction at all.

Our guests, in as far as they are physically able to do so, assist in the light work of the Home. They do this quite willingly, recognizing that it is conducive to their health and the real enjoyment of their blessings.

Divine services are held twice each week; on

Wednesday afternoon by the Superintendent, or, at times, by some visiting minister; on Sunday afternoon by ministers of our own or of some other denomination who, with their choirs and groups of their people, come and minister to our guests. Entertainments on week-day evenings are provided by groups of young people from neighboring congregations. A C. E. Society from the Carmel Presbyterian Church has come on the third Tuesday evening of each month for three years, excepting July and August.

The sources of our income for current expenses are as follows: an Apportionment of fifty cents on the membership of the congregations of the Classis of Philadelphia; voluntary gifts of the friends of the Home; our three Auxiliaries which are a great help to us in our work in addition to the liberal financial support they give us; the Mother's Day contributions; the income from our Endowment Fund which, at the present time, is about \$30,000; the donations of fruit and vegetables made at the Harvest Home Services of the congregations. By the liberal support given

us in these six ways we are keeping our current expenses paid up practically to date.

The real reason for the success of the Home is that our people are coming, more clearly than ever, to see the great Christian privilege of supporting a work of this kind. There is an appeal in it, from which there is no escape, for the believing heart. The people of our Classis, with their fine loyalty to the whole program of the Reformed Church, are minded to do their duty to these aged people who are members of our household of faith.

We are glad to tell you of the bequest of \$500 that came to us recently from the estate of Miss

Anna Missimer, who was a member of the Christ Reformed Church, Philadelphia and of an equal amount in the will of a member of St. John's Church, Philadelphia. These gifts are indicative of the trend of the religious thought of our people and they reveal their benevolent attitude toward this great cause of Christ. We know of a certainty that in time other bequests will be coming our way. They will make it possible for us to accomplish that for which we are praying,—to build larger and accommodate more of our worthy aged who are patiently waiting to be admitted to a Home of this kind.

"HOMewood"

HAGERSTOWN, MARYLAND

"Homewood" was made possible by the legacy of the late Mr. George C. Pearson, who died in October, 1929. The property, with its four acres of ground, was purchased in March, 1932, and

opened for guests in September, 1932. Ten persons are now in the Home. There are twenty-five persons on the waiting-list and the Home needs funds for enlargement.

TENNENT COLLEGE OF CHRISTIAN EDUCATION

Affiliated with the Presbyterian and Reformed Churches

CLINTON HANCOCK GILLINGHAM, M.A., B.D., D.D., President

The Training of the College Faculty

The members of the teaching staff have been carefully chosen with regard to their special fitness for giving instruction in their respective subjects. They are graduates of Boston University, Columbia, Flora Macdonald College, General Assembly's Training School, Hanover, Johns Hopkins, Louisville, McCormick, Maryville, Mount Holyoke, New Windsor, Princeton, Rice School of the Spoken Word, Union, Wooster, and the University of Pennsylvania. They have also had the teaching experience demanded for providing instruction of the highest standards, and are specialists in their chosen fields.

The Expense in Time and Money

The college year is eight months in length, beginning on Thursday, September 14, 1933, and ending on Monday, May 14, 1934. By observing only short holiday intermissions a full year's college work is done, and a longer summer vacation is made available for practical and remunerative service. The college bills amount to \$100 a year for tuition for the local, or day student, and \$400 a year for tuition, room, board, and use of the infirmary, library, gymnasium, and swimming pool, for students living in the college buildings. Income from endowment and special gifts enables the College to maintain the highest standards of instruction and service at these very low rates of expense to the student. The College appeals to all friends of Christian Education to contribute to the funds that sustain this work of highest importance to the Church and to world-wide Christianity. Write to the President for fuller information.

The Purpose and Standards of Tennent College

Tennent College of Christian Education is an institution of higher education, providing four years of instruction and training, in which the English Bible is the central and predominating text-book, around which the other departments of the curriculum are organized. The purpose of the College is to equip its students with a college education of the highest standards that will fit them upon graduation for entering into the work of the Church, either as employed members of the church staff, or as volunteer workers. The course throughout the four years is highly cultural. In the upper years the emphasis is in the field of vocational Christian Education. The degree of Bachelor of Religious Education is conferred upon graduates completing one hundred and thirty semester hours of credit. The physical and spiritual standards, also, are of the highest. The College is affiliated with the Presbyterian and Reformed Churches.

The Students and Their College Life

Tennent College has a small, carefully selected body of students. Those in attendance during the past year came from fourteen States and five foreign countries. They have a common purpose in attending a college of Christian Education, namely; a desire to honor their Lord and to dedicate their lives to some form of Christian service wherever the Lord may call them: in a city or rural church, in city or national missions, in foreign missions, or elsewhere. They are physically vigorous and mentally alert. They have endowments of potential leadership. They enjoy the advantages not only of the College itself, but also of the cultural opportunities and places of interest afforded by Philadelphia.

THE LIGHT

Walk in the light!
Love shows the way;
God is your sight,

Walk in the light!
Vanquish the dark;

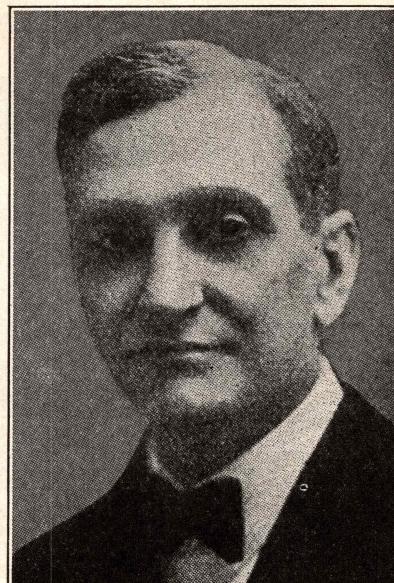

Put fear to flight,
Press toward the mark.
Walk in the light!
Truth makes all clear;
Your pathway bright,
Know God is here.

He attended the Annville Academy, Mercersburg Collegiate and Cumberland Valley Institutes and entered Franklin and Marshall College, September, 1856, was a member of the Goethean Literary Society, and graduated in 1860. In the fall of the same year he entered the Reformed Theological Seminary at Mercersburg, Pa., graduating in 1862. In 1923 his Alma Mater conferred on him the honorary degree of Doctor of Divinity. He was licensed by Lebanon Classis at Lebanon, Pa., Aug. 29, 1862, and ordained by the same Classis at Hamburg, Pa., Apr. 9, 1863. On Thanksgiving Day, Nov. 27, 1867, he was married to Miss Emma Meily, Jonestown, Pa., who died May 15, 1931. Just one year later he met with an accident which confined him to the Good Samaritan Hospital up to the time of his death, on Dec. 14, aged 94 years, 9 months, 12 days. At the time of his death he had served in the Holy Ministry for 70 years. The funeral services were held from First Church, Lebanon, Dec. 16, and interment made in Hill Church Cemetery near Lebanon.

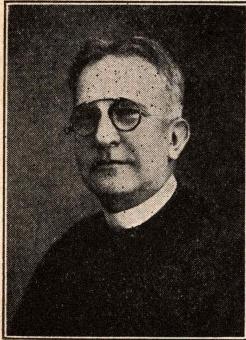

HELFFRICH, REV. WILLIAM URSIUS, D.D., was born at Fogelsville, Lehigh County, Pa., on Jan. 4, 1872, a son of the late Rev. William A. and Amanda H. Fogel Helffrich, and passed away at the Allentown Hospital on Oct. 13, after an illness of 5 weeks, aged 61 years, 5 months and 12 days. At the time of his birth, Dr. Helffrich's father was the pastor of 13 congregations, which composed the Ziegel's Charge. His brother, the late Rev. He served at Dillsburg, York County, for a little over a year and then accepted a call to Christ Church, Bath, Pa., serving from May 30, 1898, to the time of his death, a period of more than 35 years. Dr. Helffrich was a member of a long line of ministers, started as far as he was able to trace in 1651 with the Rev. Johannes Heinrich Helffrich, a minister in Mosebach, Germany. Since that time there has never been a generation when some male member of the family has not been engaged in the work of the Holy ministry. He contributed many articles under pen names, and in recent years wrote a weekly parable under the pseudonym of "Pete the Penman," in the "MESSENGER." Dr. Helffrich is survived by his devoted wife; 4 sons, Donald, Cyril, Randolph, and the Rev. Reginald, Butler; 2 brothers, Dr. John Helf-

rich and Dr. Calvin Helffrich. Funeral services were held Oct. 18, at 2 P.M. The main service was held in Christ Church, the overflowing crowd in the Sunday School Chapel being able to hear through the use of amplifiers. Burial in Greenwood Cemetery.

He went to Canada in 1901 and came over to the United States in 1916. He served a short time in Bridgeport at the State St. Church, as assistant pastor. At this time the pastor at Phoenixville, Samuel Körössy, had to enter a sanatorium, and Brother Kovachy was called to Phoenixville first as administrator and then was elected regular pastor on Apr. 15, 1917. He filled charges at Wyoming, Del.; Rebersburg; Manchester, Md., and was supply pastor at New Holland, Marietta, Maytown and Willow Street. Failing eyesight, which led to blindness, made it impossible to continue in the active work of the ministry, but with it all he was patient and endured the affliction without complaint. He is survived by 4 children: Ernest H., Lancaster; Florence M., wife of H. K. Singer, Allentown; Nevin M., Allentown; and Bertha C., wife of John Muma, with whom he resided. Funeral services were held in the Reformed Church at Maytown, on Apr. 6. Interment in the Greenwood Cemetery, Lancaster.

MULLAN, REV. JAMES M., D.D., was born at Fort Loudon, Pa., Jan. 19, 1869, and died at his home in Upper Darby, Pa., Aug. 21, 1933. His 64½ years of life were crowded with service for Christ and the Church. His early years were spent in Fort Loudon, and after passing through the schools there he entered the Normal School at Millersville, Pa., graduating in 1891. He qualified himself for the teaching profession, in which he engaged for 6 years. Feeling an urgent call to the Christian ministry, he entered the Theological Seminary at Lancaster in 1894, graduating in 1897. Having received a call from the Church of the Incarnation at Newport, Pa., he was ordained to the ministry and in September, 1897, he married Annie Elizabeth Ault, daughter of the late Rev. John Ault, of Fort Loudon, a sister of Mrs. Wm. E. Hoy, of China, and of Mrs. Paul L. Gerhard, of Japan. This union was blessed with 3 children: Isabel, married to Charles O. Gunther, Baltimore; James Kenneth; and Anna Mary. When a new Mission was to be started in North East Baltimore, the Board of Missions challenged him to take charge of this new enterprise, and in 1900 he moved to Baltimore and threw the ardor of his personality into this new work. The beautiful St. Mark's Church, on Hoffman Ave., Baltimore, will ever stand as a monument to the vision and leadership of Dr. Mullan. In July, 1916, he received a call from the Board of Home Missions to fill the office of Superintendent of the Department of the East, which he accepted and entered upon office on Oct. 1, 1916. The field which he originally covered comprised the missions in the Eastern, Potomac and Pittsburgh Synods, in January, 1926, the missions of the German Synod of the East were added. In 1920 the Board committed the work of the Social Service Commission to Dr. Mullan, appointing him as Executive Secretary in addition to his office as Superintendent of the Department of the East. A few years

later, the work of the Rural Church was committed to him. He became a member of the Social Service Commission of the Federal Council; chairman of the Committee of Comity of the Pennsylvania Federation of Churches; chairman of the Committee on Industrial Relations in the Philadelphia Federation of Churches. He literally wore himself out in the service of the Church to which he gave his heart, his head and his hand. He toiled to the very last. During the hot days in July he had gone to the Bethany Park Conference near Indianapolis, where for a week he taught the Home Mission Study text book, and delivered a platform address. There he began to feel indisposed. His physician found a very serious heart affection and advised him to abandon all work and spend some time in absolute rest. On Aug. 21, he seemed to feel unusually well. As the family was preparing to retire for the night, he suddenly collapsed and his heart ceased to beat. The funeral services were held at his late home, on Wednesday evening, Aug. 23. The interment took place the following afternoon at his home town, Fort Loudon.

H A R T F I E L D S Cross and Crown System

Doubles Sunday School Attendance & Offerings

How to Use the System

Begin by presenting every scholar with the No. 0 celluloid pin. For every term of three months' uninterrupted attendance the pupil earns a reward. For the first term the No. 1 pin; for the second the No. 2 pin; for the third the No. 3 pin; for the fourth the No. 6 pin. Thirteen consecutive Sundays may be considered as three months. Pupils absent without a satisfactory excuse lose the interrupted term, but may begin a new term the next Sunday they attend, continuing to wear the pin already earned.

Each pin obtained is to be worn until the next higher grade is earned, but surrendered upon receiving the new one. The No. 6 solid gold pin is presented outright, and with it a handsome lithographed certificate, 9 x 11 inches, with seal and ribbon attached (for framing). For each additional reward earned another seal and ribbon is attached. These certificates are free to schools. Send for sample.

The System pays for itself by increased offerings as evidenced by numerous testimonials, and may be started successfully at any time. This has been repeatedly proven by actual results.

No. 0 celluloid pin white color, blue and white, \$1.25 per 100.

No. 2 gunmetal finished pin, blue enameled cross, white ribbon, red background, 20 cents each.

No. 6 solid gold hand engraved pin red cross, blue ribbon, white background, enameled, \$1.05 each.

No. 1 Bronze Cross and Crown Pin, 8 cents each.

No. 3 silver plated hand engraved pin, red enameled cross, white ribbon, blue background, 25 cents each.

Cross and Crown Pins Pay for Themselves

"The Cross and Crown system increased our school more than 50%. The offerings nearly 300%." — Jacob Miller, Supt. S. S. Arcanum, Ohio.
"Our school has doubled our offering contributions quadrupled, and the interest is increasing." — J. L. P. Beeman, Supt. S. S. Oblong, Ill.
"The increased collections will more than pay for the pins, in fact, we have assumed \$150 per year of the interest on the Church debt." — W. E. Griffin, Secretary S. S., New Brighton, Pa.
"Have used Cross and Crown System three years, attendance sure to grow, and pay for the pins." — F. G. McCullough, Supt. S. S., Conesville, Iowa.
"The Cross and Crown System is self-supporting." — Harold I. McKeever, Cor. Secretary S. S., Brownsville, Pa.
"More than pleased, increase in attendance over 100%, in collections, even greater. Delighted." — John E. Barnard, Supt., Cartersville, Ga.

Second to Sixteenth Year Rewards Inclusive

Pupils regularly attending an additional year earn the gold wreath, following this the gold third, fourth, fifth, sixth, up to sixteenth year bars. Hand engraved wreath, \$1.05, enameled bars each 65 cents.

Church Attendance Rewards

The star and cross pendants made in the same grades as pins are intended for church attendance and are to be attached to the pins. Prices: No. 1—3 cts., No. 2—6 cts., No. 3—13 cts., No. 6 (solid gold) with birthstone 80 cts., with Diamond \$1.05. Schools should use Vacation Certificates also Reward Record Cards.
